Report of workshop on

"Mastering Windows Installation"

Date of event: February 22, 2025

Time: 10:00 am to 2:00 pm

Venue: Computer Lab.

Report summary

The workshop on Mastering Windows Installation was organized by Computer Department of S.S.D College Barnala. The workshop aimed to provide participants with practical knowledge and hands-on experience in installing and configuring Windows. College Principal Dr. Rakesh Jindal encouraged students to continue enhancing their technical skills and said that mastering the installation and configuration of operating systems is a fundamental skill in the field of Information Technology. The event incharge Prof. Amanpreet Kaur explained in-depth information about choosing the right version, creating installation media, going through the installation steps and fixing common problems. Attendees got hands-on experience with the tools like the Media Creation Tool and learned how to solve issues like partioning and activation errors. The workshop helped participants build confidence in installing and troubleshooting Windows with positive feedback.
